

Enhancement for Active Seniors (EASE) (Private Housing) Programme

Enhancement for Active Seniors (EASE) (Private Housing) Programme

EASE (Private) will subsidise the installation of senior-friendly fittings in private properties to improve the mobility and safety of seniors within their homes.

Who is eligible?

All households living in private properties with at least one household member who is a Singapore Citizen and meets one of the following:

- 65 years old and above or
- Between 60 and 64 years old requiring assistance with at least one of the Activities of Daily Living (ADL)¹

What subsidies are available?

Eligible households will each receive **\$1,200 in vouchers** to help make their homes safer for seniors. The vouchers can be used to **subsidise 75% of the cost of selected senior-friendly fittings**, and the household will only need to pay the remaining 25%.

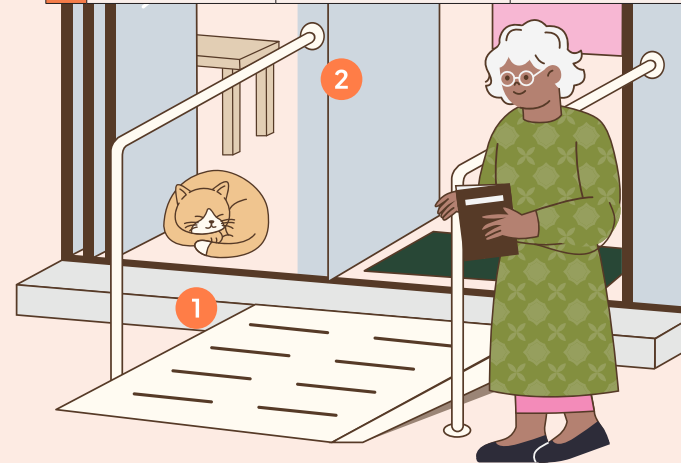

Note:

¹ ADL refers to daily self-care activities, including washing/bathing, dressing, feeding, toileting, mobility and transferring. Seniors aged 60 to 64 must submit a Functional Assessment Report endorsed by a qualified assessor, such as a doctor, registered nurse, or registered physiotherapist/occupational therapist.

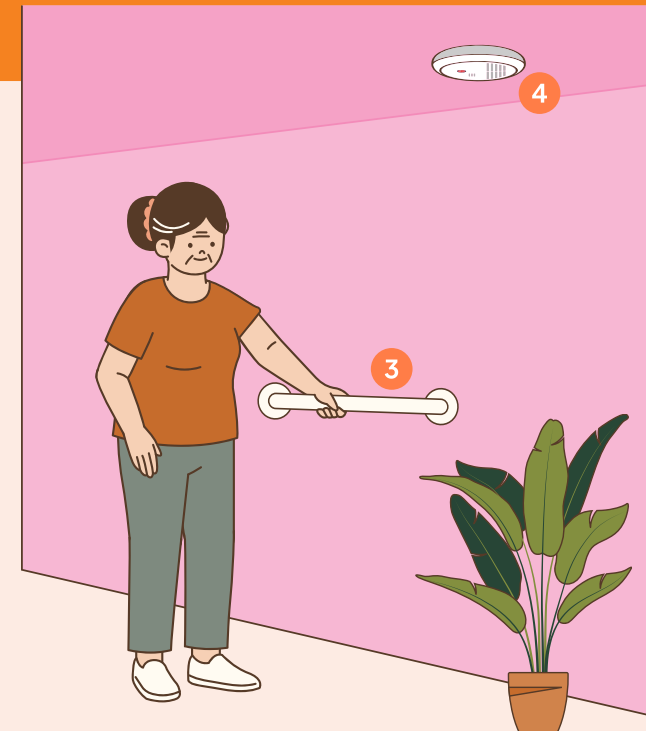

List of senior-friendly fittings

Refer to the table for the list of senior-friendly fittings you may install in your home.
